## DEGREE TO DR. LYON

Distinguished Mammalogist Submits  
Exhaustive Thesis.

The degree of doctor of philosophy was  
conferred on Marcus Ward Lyon yester-  
day by George Washington University at  
the conclusion of the doctorate dispu-  
tation conducted by the faculty of grad-  
uate studies. The subject of Dr. Lyon's  
thesis was "Trematodes, an Account of  
the Mammalian Family Tupaia." The  
disputation was presided over by Prof.  
Theodore N. Gill, the challengers being  
Dr. C. Hart Merriam, biologist of the  
Harriman Foundation; Dr. Leonard  
Reisner, head curator of biology of the  
National Museum, and Dr. T. S. Palmer,  
assistant chief of the United States Bio-  
logical Survey.

Dr. Lyon successfully defended his  
thesis. It is considered one of the most  
comprehensive and exhaustive of any  
dealing with the mammalian family. The  
trematode has points in common with  
the weasel and with the squirrel. Dr.  
Lyon has presented a study of the life  
and its habits in its native haunts in  
Australia, Southeastern Asia, and the  
Philippines, as well as from specimens  
in practically all the museums of Eu-  
rope.

## STUDY OF TRANSPORTATION.

High School Girl to Take Out-  
side Work.

The first student at the Business High  
School to be allowed credit for outside  
work, under the new system, is Miss  
Pauline Smith, of 225 Flager Place  
Northwest.

Miss Smith is the daughter of E. W.  
Smith, chief of transportation in the  
Bureau of Supplies of the Post-office  
Department, and is to study freight and  
express transportation under her father's  
instruction. The application was ap-  
proved by Principal Davis, of the Busi-  
ness High School, and a committee ap-  
pointed under the new regulations to  
supervise the applicant's studies.

Other applications are before the school  
authorities, and it is thought that the  
arrangement will prove a popular one  
with the pupils.

## CONGRESS HEIGHTS WANTS THROUGH CARS

Public Improvement Association to  
Seek Conference with Officials  
of Railway Company.

A determined effort is to be made by the railroad committee of the Public Improvement Association of Congress Heights to have the street car facilities improved to that suburb, and to this end it is probable conferences will be arranged between this committee and officials of the railway company in the near future. Since the double track system was installed to Congress Heights from Anacostia several months ago the citizens have been endeavoring to induce the railway company to operate all of its cars that now operate as far as Anacostia to the Heights.

Funeral services for Mrs. Maggie V. Moore, wife of Edward F. Moore, of Anacostia, who died last Saturday in Providence Hospital, will be conducted this morning at 9 o'clock from St. Teresa's Church. Requiem mass will be offered by Rev. Charles M. Hart and interment will be in Holy Rood Cemetery.

Officers of the congregation of Anacostia Methodist Episcopal Church have been selected, as follows: Trustees, George O. Walcott, president; Samuel R. Campbell, secretary; George W. King, Jr., treasurer; Charles F. Linger, Arthur R. Sutt, Charles P. Sherer, Simon Hubs, Daniel C. Smithson, and R. Lee Seagist. The board of stewards is composed of Arthur B. Sutt, Mrs. Minnie Arnold, Mrs. W. H. Marshall, James H. Smith, James L. Padgett, Johnson Hardy, Bewell Fort, John Crawford, Frank Crawford, Frank Tew, H. W. Eno, Frank Sony, and Albert Ball.

The February meeting of the Hillside Citizens' Association was held last night in Odd Fellows Hall, in Sumner Road, with President Jackson in the chair. Communications read by the secretary indicated that it was the intention of the Commissioners to make several improvements to the streets in that suburb, and also to establish additional street lights.
